A. Introduction

(1) B Sc - M Sc. (Integrated) Biotechnology (20 Seats)

The M Sc. Biotechnology (Integrated) course was started during 2009-10 with budgetary support from Govt. of Kerala with the objective of improving the quality of biotechnology education in the state. The duration of the course is 5 years. The course is conducted in multi-institutional mode, involving institutions engaged in biotechnology teaching / research, to facilitate the utilization of highly competent manpower and facilities. This course is offered at the College of Agriculture, Vellayani, Thiruvananthapuram.

Basic Biology, Cell Biology, Molecular Biology, Genetics, Physics, Organic Chemistry, Biochemistry, Mathematics, Statistics, Computer Science, Genomics, Proteomics, Immunology, Enzyme Technology, Computational Biology, Agricultural Biotechnology, Industrial Biotechnology, Environmental Biotechnology, Bio-safety, Bioethics and IPR will be the essential areas covered by the course.

(2) B Sc- M Sc. (Integrated) Climate Change Adaptation(20 Seats)

The M Sc. (Integrated) Climate Change Adaptation Programme was started during 2010 and is offered at ACCER, Main campus, Thrissur. The duration of the course is 5 years. This course envisaged to be of high

standard, conducted in multi institutional mode, making use of the manpower and facilities of various reputed institutions in the relevant field.

The programme provides ample opportunity for the students to

- understand the processes and activities that influence climate
- analyze and interpret the risks and opportunities associated with climate and climate change and
- make recommendations of future adaption and mitigation strategies.

The programme provides an integrated approach to the analysis of climate change in the context of agriculture and environmental management. The interaction of the atmosphere with the other components of the Earth system, and the economic and policy issues associated with climate change, sustainability, agricultural productivity and food security are central concerns in the response to climate variability and future climate change.

(3) B Sc. (Hons.) Co-operation & Banking (40 Seats)

The College of Co-operation banking and Management, Vellanikkara, Thrissur was established in the year 1981 as a constituent college of the University. The B Sc. (C&B) programme is unique in the sense that is pioneering attempt to meet the needs of managerial manpower for co-operatives, banking and rural development organisations involved in income generating activities of the weaker section of the society. The objective of the programme is to provide trained manpower for professionalisation of the management of the departments and institutions which are engines of agricultural development like co-operatives, banks, financial institutions, agri-business enterprises and rural development organisations in order to assist the farming community to make farming and agricultural enterprises competitive. The programme is designed with unique features to match the demands of employers in a dynamic environment.

B. Eligibility

Students having passed Plus Two/Higher Secondary/recognised equivalent examination with Physics, Chemistry and Biology or Physics, Chemistry and Mathematics with a minimum of 50% marks except for SC/ST communities. The SC/ST candidates need only a pass in the qualifying examination. Biotechnology in plus two level may also be considered.

For Climate Change Adaptation Course the candidates should have studied Mathematics as a subject in the +2 level.

The following procedures have been prescribed for admission of the foreign students. The normal procedure for seeking admission is that the foreign student should apply in the prescribed form available in the Indian missions abroad and the application is to be forwarded to the Government of India by the Embassy/Mission concerned. The Ministry of Education will then arrange for admission through ICAR. The foreign students who arrive in India on Tourist visas will not be admitted unless he/she has taken previous approval of the Government of India for his/her visa being converted to student visa but his/her application will be provisionally considered and the eligibility decided. An 'Eligibility Certificate' indicating the last date by which he/she must join the course will be issued to the eligible candidate who will be advised to approach the Ministry of Home affairs through the Foreigner's Registration Officers of the State Government where the foreign student is temporarily residing at the time of application. The eligibility certificate in original should be attached with the application for conversion of visa.

No application for admission from students holding Chinese nationality (from Mainland and Formosa) will be entertained without a clearance from the Government of India 'Ministry of Education'. Before joining the course, the foreign student also will be required to fill in relevant particulars in the application form available from the Kerala Agricultural University.

No self-supporting student of any foreign country is admitted in the University.

Foreign students being admitted in the University should undergo medical examination within a month of their admission. These students will initially be admitted provisionally on the strength of a Medical Certificate and AIDS free certificate and only on the production of valid medical certificate, admission will be confirmed.

Medical Examination shall be carried out by an authorized Medical Officer with a rank of not less than that of Civil Surgeon/CMO of the District where the institution is located or any other Officer designated for the purpose.

12. Penalty for furnishing false information

Any candidate who is found to have willfully or otherwise given any particulars which are false or has suppressed material information or does not satisfy the requisite qualification for admission shall be disqualified. They shall not be allowed to continue on the rolls of the University, if it is detected at any stage of his/her studentship in the University. In case the candidate has already passed out of the University then the degree awarded by the University shall be withdrawn.

13. High Court of Kerala will be the judicial body to decide on all disputes arising, if any, in the matter of admission.

14. The prospectus is subject to further modification/addition as may be considered necessary by the University and will be issued as executive orders/notifications. And such modifications will be applicable to all students admitted during this year.
