

Upgradation of employment opportunities of students

Under the auspices of the Students Union 2017-18, a meeting was organised on 6 June, 2017 to discuss about the improvement of employment potential of the graduates and for enhancing the soft skill and competitiveness of graduates for the emerging job markets. In consonance with the decisions, the following actions were taken.

- The Placement Cell in the college with a faculty in charge has been **strengthened with the allotment of a separate space** for the cell and remodeling work of the new placement cell has been completed. The placement cell has also initiated soft skill training programme under the aegis of the DSW and University Employment Information Guidance Bureau.
