

## *Training Programmes in Plant Biotechnology and Molecular Biology*

The Centre for Biotechnology and Molecular Biology (CPBMB) at Kerala Agricultural University has established a training unit for Molecular Biology and Plant Tissue Culture. The unit invites applications for regular short term trainings (2 -3 weeks & 3 months) in Plant Biotechnology & Molecular Biology for Teachers / Students in Biotechnology. The titles, duration and course fee are as given below:

Sl. No.	Training	Duration	Category, duration and training cost (Rs.)	
			Category – I (Students)	Category – II (Teachers/Scientists/Entrepreneurs)
1.	Hands on training on techniques in Molecular Biology	2-3 weeks	2 weeks – 10,000/- 3 weeks – 15,000/-	2 weeks – 15,000/- 3 weeks – 20,000/-
