

KERALA AGRICULTURAL UNIVERSITY

PROSPECTUS

Post Graduate Programmes 2016-17

INTRODUCTION

The Kerala Agricultural University is an institution which came into existence on the 24th day of February, 1971 by the Act passed by the Government of Kerala. The University is the principal instrumentality of Kerala state in providing human resources, skills and technology required for the sustainable development of its agriculture, agricultural engineering, horticulture and forestry by integrating education, research and extension.

The University fulfills its mission through a network of institutions spread throughout the State consisting of three faculties under which six constituent Colleges, six Regional Agricultural Research Stations, 16 Research Stations, the Central Training Institute, the Communication Centre and seven Krishi Vigyan Kendras. There is a network of libraries, including a Central Library in the main campus, constituent Colleges, RARS, Research Stations and KVKs.

Post-graduate programmes are offered in almost all the disciplines with specializations related to agriculture. In 30 disciplines, the university offers post-graduate programmes leading to Masters degree. Doctoral programmes are offered in 10 disciplines of Agriculture, four disciplines of Horticulture, five disciplines of Forestry, three disciplines of Agricultural Engineering, one discipline in Home Science (Food Science & Nutrition) and one discipline in Co-operation & Banking.
