## Summary

I have three year experience of working in Krishi Vigyan Kendra, Palakkad and one year experience in AICRP on weed control, Vellanikkara. During the course of time I have conducted several on-farm trials and front line demonstrations. I was officer in charge of National Innovations on Climate Resilient Agriculture (NICRA), Cluster demonstration of oilseeds and pulses (NMOOP and NFSM programme respectively), Co-ordinator of DAESI (Diploma in Agriculture extension Service for Input dealers 2022 batch), Nodal officer for project on Natural Farming In-plant training coordinator for conducting 6 days On Job Training programme for three batches of VHSE students on the topics Organic grower. Acted as the Principle Investigator for State plan project "Establishment of extension centre for tribal areas of Attapady". Have conducted several capacity building programmes, initiated documentation and promotion of traditional farming practices at Attapady under the project.

---

## Research Highlights

Herbicide tank mix combination of bispyribac-Na and almix at 25DAT was found to be agronomically and economically feasible under transplanted rice

Foliar application of chemicals (CaCl<sub>2</sub>, Silicic acid and KCL) along with recommended package of practices for nutrients were found to have a significant impact on cassava even under less or no rainfall

Evaluated cassava varieties for moisture stress under different planting seasons

## Experience

---

Joined Kerala Agricultural University as Assistant Professor (Agronomy) in the year 2019

---

## Education

---

- Graduated in Agricultural Science (Hons.) from Kerala Agricultural University (2007)
  - Post Graduation in Agronomy from Tamil Nadu Agricultural University (2013)
  - Ph.D in Agronomy from Kerala Agricultural University (2020)
- 

## Area of Specialization

---

Weed management, nutrient and stress management

## Awards & Recognitions

---

- UGC scholarshio for doing Ph. D in Agronomy
- 

## Research Projects

---

### Ongoing

1. Network project on management of aquatic weeds in paddy
  2. Networl project on development of AEU based POP recommendation for major crops of Kerala
- 

## Publications

---
