**QUOTATION NOTICE**

A/1661/11 (Vol. 2017-18)

Date: 28.10.2017

Sealed competitive quotations are invited for supply of 1 No. of mini distillation unit.

**Specifications:**

**The distillation unit comprise of container vessel and condenser.**

**Vessel :** Capacity 25 lit approx. 32 cm dia and 45 cm height.

Material: 1 mm stainless steel, S.S 304 AISI sheet, bottom with 1.6 mm thick sheet, suitable to work in LPG.

The vessel should be provided with

- flange on the top to attach the condenser
- ball valve and funnel for filling and closing
- level indicator at the lower middle portion of the vessel
- perforated separator in the bottom of the inner chamber.

**Condenser column** should be made of S.S. pipe and sheet; it should have a flange on one side to attach with the main vessel. The cooling jacket is to be provided with water inlet and water outlet.

The detachable condenser column is to be fixed to the vessel with S.S. bolt and wing nut.

It should be easily separated for cleaning at regular intervals.

The entire fabrication is to be Argon arc welded and properly polished.

*(For more details: contact the undersigned before placing quotation)*

The rates should be inclusive of cost of the item, transportation charges, taxes and any other charges applicable. **Warranty** details should be shown in the quotation.

Quotations should reach the undersigned on or before 3.30 p.m. of 14.11.2017 and they will be opened at 11.00 am on 15.11.2017. Quotation with lowest rate will be accepted.
