| | Wet Bulb Thermometer | | 1 |
| | Dry Bulb Thermometer | | 1 |

The acceptance of the quotations will be subject to the following conditions:-

1. Acceptance of the quotation constitutes a concluded contract. Nevertheless, a successful tenderer must within a fortnight/a month after the acceptance of his quotation furnish 5 percent of the amount of the contract as security deposit and execute an agreement at his own cost for the satisfactory fulfillment of the contract, if so required.

2. Withdrawal from the quotation after it is accepted or failure to supply within a specified time or according to specifications will entail cancellation of the order and purchase being made at the offerer's expenses from, elsewhere, any loss incurred thereby being payable by the defaulting party. In such an event the Government reserves the right to remove the defaulter's name from the list of Government suppliers permanently or for a specified number of years.

3. Samples, duly listed, should be forwarded if called for under separate cover and the unapproved samples got back as early as possible by the offerers at their own expenses and the Government will in no case be liable for any expenses on account of the value of the samples or their transport charges, etc. In case, the samples are sent by railway, the railway receipt should be sent separately, and not along with the quotation since the quotation will be opened only on the appointed day and demurrage will have to be paid if the railway parcels are not cleared in time. Quotations for the supply of materials are liable to be rejected unless samples, if called for of the materials tendered for are forwarded. The approved samples may or may not be returned at the discretion of the undersigned. Samples sent by V.P.Post or "freight to pay" will not; be accepted.

4. No representation for enhancement of price once accepted will be considered during the currency of the contract.

5. Any attempt on the part of quotationers or their agents to influence the Officers concerned in their favour by personal canvassing will disqualify the quotationers.

6. If any licence or permit is required tenders must specify in their quotation and also state the authority to whom application is to be made.

7. The quotation may be for the entire or part supplies. But the quotationers should be prepared to carry out such portion of the supplies included in their quotation as may be allotted to them.

8. (a) In cases where a successful quotationers, after having made partial supplies fails to fulfil the contracts in full, all or any of the materials not supplied may, at the discretion of the Purchasing Officer be purchased by means of another tender/quotation or by negotiation or from the next higher quotationers who had offered to supply already and the loss, if any, caused to the Government shall thereby together with such sums as may be fixed by the Government towards damages be recovered from the defaulting quotationers.

(b) Even in cases where no alternate purchases are arranged for the materials not supplied, the proportionate portion of the security deposit based on the cost of the materials not supplied at the rate shown in the quotation of the defaulter shall be forfeited and balance alone shall be refunded.

(c) Any some of money due and payable to the contractor (including Security Deposit returnable to him) under this contract may be appropriated by the Purchasing Officer or Government or any other person authorized by Government and set-off against any claim of the Purchasing Officer or Government for the payment of a sum of money arising out of or under any other contract made by the

contractor with the Purchasing Officer or Government for the payment of a sum money arising out of or under any other contract made by the contractor with the Purchasing Officer or Government or any other person authorized by Government.

9. The prices quoted should be inclusive of all taxes, duties, cesses, etc. which are or may become or may become payable by the contractor under existing or future laws or rules of the country of origin/supply or delivery during the course of execution of the contract.

10. (a) ordinarily payments will be made only after the supplies are actually verified and taken to stock but in exceptional cases, payments against satisfactory shipping documents including certificates of Insurance will be made up to 90 per cent of the value of the materials at the discretion of Government. Bank charges incurred in connection with payment against documents through bank will be to the account of the contractor. The firms will produce stamped prereceipted invoices in all cases where payments (advance/final) for release of railway receipts/shipping documents are made through Banks. In exceptional cases where the stamped receipts of the Firms are not received for the payments (in advance) the unstamped receipt of the received for the payments (in advance) the unstamped receipt of the Bank (i.e. counterfoils of pay-in-slips issued by the bank) alone may be accepted as a valid proof for the payment made.

(b) The quotationers shall quote also the percentage of rebate(discount) offered by them in case of payment is made promptly within fifteen days/within one month of taking delivery of stores, within fifteen days/within one month of taking delivery of stores.

11. Any sum of money due and payable to the successful quotationers or contractor from Government shall be adjusted against any sum of money due to Government from him under any other contracts.

12. Special conditions, if any, printed on the quotation sheets of the quotationers or attached with the tender will not be applicable to the contract unless they are expressly accepted in writing by the purchaser.
